

TEACHER FEEDBACK ANALYSIS

- The Feedback about the teaching process is taken by conducting the teachers teaching evaluation feedback surveys in which each faculty is assessed based on 25 parameters at the end of each semester.
- The DAB evaluates the feedbacks given by the students and in turn will intimate the faculties about their weakness and suggest ways to improve the same in future.

Table1: Student Feedback from HOD

Sl. No.	Frequency	Description	Action Taken
1	Before 1 st Test	Feedback is collected from students for each courses	Discussion with the concerned faculty and action is planned for improvement if required
2	Before 2 nd Test	HOD collects the feedback for each subject	Depending on 1 st test performance and feedback, action is planned
3	Before 3 rd Test	Overall feedback for the subject is collected by students	On basis of 2 test performance and feedback, improvement action is planned. These action planned is considered for faculty appraisal and subject allotment during next academic year
