

Program Report on AYUDH

The NSS wing of ATME College of Engineering organized a motivational program for the first year Engineering Students in collaboration with 'AYUDH' which is an international youth movement that aims at empowering the modern youth on 16th November 2018.

The purpose of the program was to motivate the students so that they can unleash their inner potential and also to invite students to participate in 'AYUDH Leaders Training Summit' to be held in Dec 2018, at Kerala.

The Program Speakers (Resource Persons) were Mr. Chandrasekhar, Mr. Vivek Vijayan, Mr. Krishna Kumar, Mr. Amith and Mr. Arun. The function was presided by Dr. L. Basavaraj, Principal, ATMECE, Mysore.

The program started with the Invocation song by Ms. Raksha and followed by Welcome speech by Mr. Vaibhav Jagannath and Introduction of Resource Persons by Mr. Shashank Nagarkar, a first year student. During the speech, he introduced Mr. Chandrasekhar, Chartered Account with

25 years of Experience and Visiting faculty at Amrita School of Business, Mr. Vivek Vijayan, National Coordination Committee Member of AYUDH and a software Engineer by Profession with more than 10 years of Experience, Mr. Krishna Kumar, National Coordination Committee Member of AYUDH and System Auditor by Profession and Mr. Amith is also a National Coordination Committee Member of AYUDH, a Yoga and Meditation Teacher by profession and worked as a software Engineer with more than 2 decades of Industry Experience both in India and as well as in Canada. Mr. Arun, Member of Lions Club International for over 22 years, Vice President of Alzheimer's and related diseases Society of India, Founder Trustee of Abhaya Charitable Trust.

Inauguration of the program was carried out by feeding water to the plant by all the Dignitaries.

Principal Dr. Basavaraj L gave a Presidential Speech stating that many eminent personalities are gathered in the program and some of them are being software engineers have come to address and share their experiences with the students, He wished all the students may get inspired and motivated from this program.

During the program, Mr. Vivek Vijayan took over the stage and interacted with the students by conducting activity of rhythmic clapping. He told students that any action done in a rhythmic way by all together will create an enormous energy and vibration with this same motive even AYUDH believe that 'Together We Can' perform and create a lot more power And he explained about the two meanings of AYUDH, one of them means Aa-Yudh (meaning no war i.e., peace) and other one meaning weapon, where the combined energy of youth is symbolized as a weapon. He motivated students by saying that every single person will have an inner potential which can bring a change in the society and can influence many other people.

The program further continued by Mr. Amit. He shared about the various projects and activities undertaken by AYUDH which are in line with United Nations Sustainable Development Goals (UNSDGs) from disaster relief to leadership workshops, Yoga and meditation retreats to visiting Indian villages, Organic cultivation to cleanliness campaigns and many other activities. He ended up his speech by addressing students that Youth i.e. 'You' are the Weapon (AYUDH) of the nation and each one should become a role model of the future through which the nation can be built.

Further program was continued by Mr. Chandrasekhar. He addressed and inspired students by playing the videos of celebrities who faced lot of challenges in their life and became successful by their strong determination and Will-Power and became inspiration for many others in the society.

Finally Mr. Krishna Kumar addressed students by sharing his experience of meeting soldiers at battalion, the difficulties that the soldiers and their families are facing to get their basic needs and he also shared that AYUDH has adopted 101 villages and provide all the basic needs to the people of the village. He also shared about the reason behind the beginning of Kargil War and motivated the students to understand their duties and responsibilities towards Nation.

The Team motivated students to join for the Social Services, Green Initiatives and for the Personal Empowerment by joining with AYUDH and encouraged all to participate in AYUDH Leaders Training Summit to be held between December 22nd – 25th 2018, at Amrithapuri Campus in Kerala.

Heads of the Basic Science Department, Dr. Mahesh Lohith, Dr. Md, Eliyas, the Program Convener Dr. Bhagyashree S R, NSS Program Officer/Program Chief Coordinator Mr. Shashidhar S Gokhale, Associate Professor, Dept. of ECE and other NSS Faculty coordinators of all departments were present during the entire Program.
